

JACK & THE VINE STALK

Plant an Organic Grapevine

Help Jack keep our planet green

Ascella's Grapevine Planting Agreement

For Children 6 to 12 Years of Age

Hear yee, Hear yee,

On this date of ___ in the month of _____ in the year 2015

Ascella Wine has entered into an agreement with

_____aged ____ years of age

(known herein as Jack's Friend)

Ascella agrees to give Jack's Friend a Chambourcin grapevine shoot in a pot subject to certain Conditions below:

Jack's Friend agrees to:

Water and nourish the grapevine using the guidelines on the back of this agreement

Plant the grapevine in a sunny spot in spring between September and November

Jack's Friend can also:

Ask questions to Jack about the care of the grapevine on Jack's Facebook page

Send photos of the vine to Jack on his Facebook page to show how well the grapevine is growing

Note: The grape variety is Chambourcin. Chambourcin grapes are a deep red when ripe in March

There is no alcohol in a ripe Chambourcin grape

One free per family
